THE FIELD

Located behind our property of six guesthouses, the field offers a space that requires minimal decorations and that focuses on the natural beauty around you. Walk down toward the creek bed for the ceremony site - naturally landscaped so that all you need are chairs and any other decor you envision.

THE DANCE PAD

Further up toward the guesthouses is our concrete pad covered in string lights and ready to be used as your dance pad or a place to set up tables for the reception. Approx. 600 sq. ft.
